Putting our customers **FIRST!**

Our team of highly skilled technicians will keep your machine running optimally and most efficiently at all times.

The ADS Command Centre is the first point of service contact customers will experience and is based at the head office in Johannesburg. The Command Centre is manned from 08h00 to 16h00 weekdays with extended hours from 07h00 to 17h00 with a team of reactive and proactive Command Centre agents. ADS also offers after hours support through a national messaging service system on 0860-300-200 as well as a 24 hour support for Printing Systems as negotiated with the customer.

Contact our service team via these methods to log a service call or to order consumables:

Tel: (011) 928-9280
